

Daily Kitchen Cleaning Checklist

By Household-Management-101.com

After Each Meal:

- Put away all uneaten food in plastic containers, or otherwise store
- Put dishes in dishwasher or hand wash them
- Wash all pots and pans and other items used in preparing or eating the meal
- Quickly wipe down counters, kitchen table, and stove top of big crumbs and spills
- Wipe down sink of any grease or grime from washing dishes and other utensils

Before The End Of The Day:

- Run dishwasher as needed (and empty when dishes clean)
- Wipe down kitchen counters, table and stove top
- Empty trash can
- Sweep floor
- Change out kitchen towels
- Wipe up spills as they occur
